Certification

**Jointly from SMFM(I) & ISSHP
(Post course completion)**

Course Objectives

- Preeclampsia (PE) is one amongst the three leading causes of maternal morbidity & mortality in India, next only to hemorrhage and infections.
- The incidence of PE varies between 10–30% across India. Atypical presentations are common leading to clinical dilemma in management resulting in a high rate of maternal and perinatal mortality in the country.
- This project aims to upgrade the clinicians with the latest guidelines and evidence-based practices related to PE through certification which could empower them to manage the disease more appropriately contributing to reduction in adverse outcomes.

Course Specifics

What?

Collaborative, comprehensive, educational, certification module course on Hypertensive disorders in Pregnancy with special emphasis to Preeclampsia.

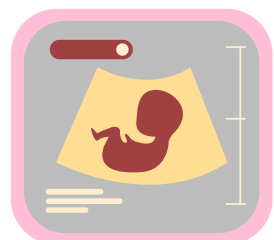

Why?

Preeclampsia Education of the Nation, (India) A-PEN (I) On-Campus Course Specifics

We are bringing to you - PEN (I), an International Certification Course on Hypertensive Disorders in Pregnancy with special emphasis to Preeclampsia, to your campus!

PEN (I) On-Campus is an initiative that aims to collectively certify all the members in the department of OBG of your institution (including PGs and fellows) in a single session.

Our five educational modules will be played back-to-back with short breaks in between. PEN (I) Coordinator along with SMFM (I) Office member will be available during the session to clarify any questions regarding the coursework.

The registrants will also be given a Course Participation Certificate endorsing the time spent for learning [by the SMFM (I) / PEN (I) Secretariat].

The assessment for certification can be availed by the delegates online within a week of course completion.

Delegates who fail to clear the assessment will be given additional time for preparation and another attempt scheduled within a stipulated deadline [not exceeding 1 week of the 1st attempt which will not be additionally costed].

A Course Completion Certificate will be delivered to you via email after successful completion of the assessment as per specification.

The certified delegates will be eligible to attend the Virtual LIVE Interactive Session with the Co-Chairs. Details of the schedule will be notified via email.

All registered delegates will be eligible for a free SMFM (I) membership until December 2023. SMFM (I) membership once availed will entitle the corresponding PEN (I) delegates to participate in all the academic activities of the society [eg- Virtual Learning Series on Preeclampsia etc] without an additional fee as well as to avail registration to ISSHP World Congress 2023 at discounted rates [visit our website: <https://www.isshp2023.com/>]

Cost for PEN (I) On-Campus course: ₹1000 + 18% GST. Venue, Food for the attendees to be arranged by the local hosts. The On-Campus program can be hosted for a minimum delegate strength of 30 and maximum upto 60. SMFM (I) Office to be intimated at least 1 month prior to hosting the course.

Pre-registration is mandatory on the Mediknit platform // www.mediknit.org/online-courses/pen-i

For more details regarding the course visit-
